ALL AGES EVENT--
PUBLIC WELCOME!

**SATURDAY APRIL 27TH &
SUNDAY APRIL 28TH
BETHEL MOUNTAIN BIKE TRAIL
DESOTO NATIONAL FOREST
SAUCIER, MS 39574**

WHAT IS A BIOBLITZ?

A BioBlitz is communal citizen-science effort to record as many species within a designated location and time period as possible. These events are a great way to engage the public to connect with their local environment while generating useful data for science and conservation. They are also an excuse for naturalists, scientists, and curious members of the public to meet in person in the great outdoors and are a lot of fun!

GUIDED HIKES: Birds | Carnivorous Plants | Edible Plant Foraging
| Reptiles & Amphibians | Bottomland Hardwood Forest | Insects

Hikes start at 7:30 am and other times are TBD. Please check the Facebook event for more information.
